Veterans Tribute Group, Inc. is in the process of raising funds to purchase a ***Replica Vietnam Wall*** to be placed in the Veterans Tribute Park in Elizabethtown Kentucky. Veterans Tribute Group is made up of representatives from veterans groups in and around Hardin County.

We feel this to be a major addition to honor those fallen in the Vietnam War and to pay respect to those that served. We want to honor the families of all Vietnam Veterans and especially the veterans of Kentucky that paid the ultimate price. The total number that was lost in Kentucky was 1105.

Our goal is to provide a replica Vietnam Wall for those unable to make the trip to Washington DC. A place where they are able to visit and find a way of reconnecting to those lost. It has been found that the Vietnam Wall can offer healing to those that served as well as those that lost family members. A place to reconnect with a lost friend or loved one.

This project is very important to us and we hope that you will see the benefit of a permanent Vietnam Wall in our area. This Vietnam Wall's total length is 360 feet with each wing being 180 feet long. At the apex it is 8 feet tall. The scale of the wall is 80% the size of the Vietnam Wall in Washington DC . With this Vietnam Wall it is possible to make rubbing of the names that are on the wall.

Being located in Elizabethtown Kentucky provides a central location for all of Kentucky as well as the Eastern part of the United States.

We would appreciate any contribution you can make to help place a replica Vietnam Wall at the Veterans Tribute Park.
